TERMS AND CONDITIONS

1. Controlling Provisions:

No terms and conditions other than the terms and conditions contained herein shall be binding upon Interstate-McBee, LLC. ("Seller") unless accepted by it in a writing signed by an officer of Seller. All terms and conditions contained in any prior oral or written communication other than an overriding agreement, but, including, without limitation, Buyer's purchase order, which are different from or in addition to the terms and conditions herein are hereby rejected and shall not be binding on Seller, whether or not they would materially alter this document, and Seller hereby objects thereto. All prior proposals, negotiations and representations, if any, are merged herein. Buyer will be deemed to have assented to all terms and conditions contained herein if any part of the goods described herein are shipped or an invoice is presented in connection with said goods.

2. Terms:

Buyer agrees to pay for goods purchased from Seller ("Products") according to Seller's payment terms. Buyer grants Seller a purchase money security interest in the Products until such time as Seller is fully paid and authorizes Seller to file such financing statements as Seller deems necessary to perfect and protect Seller's security interest. Clerical errors or obvious errors or omissions are subject to correction.

3. Inspection and Acceptance:

Returns: Claims for damage, shortage or errors in shipping must be reported within five (5) business days following delivery to Buyer. Buyer must submit requests for return on Seller's form and receive authorization to obtain credit for returned Products. All returned Products must be in saleable condition, in their original packaging, and returned to Seller shipper freight prepaid with risk of loss on the Buyer until received by Seller. A 15% restocking fee and any freight paid by Seller will be deducted from the purchased price. Items which were "special ordered" or have been obsoleted may not be returned.

4. Changes:

Seller reserves the right to make process and design changes in the Products which do not adversely affect fit or function without prior approval of or notification to Buyer. Buyer may request changes in process or design of the Products only if Buyer agrees to accept such changes in delivery or prices which are, in Seller's judgment, reasonably necessitated thereby. Should Buyer request changes which are, in Seller's judgment, beyond the ability of Seller to produce or deliver within the schedule or for the price proposed by Buyer, Seller shall have the right to reject or cancel Buyer's order, and, if Production on the order has commenced or expenses have been incurred or commitments made as a consequence thereof, Buyer shall pay reasonable charges as determined by Seller based on Seller's costs and commitments.

5. Shipment; Delivery; Risk of Loss:

Unless otherwise expressly agreed to in writing, the method of packing and shipment of the Products sold hereunder shall be at the discretion of the Seller. Seller will make a good faith effort to complete delivery of the Products as indicated by Seller in writing, but Seller assumes no responsibility or liability and will accept no back charge for loss or damage due to delay or inability to deliver, whether or not such loss or damage was made known to Seller, including, but not limited to, delay caused by acts of God, war, labor difficulties, accidents, inability to obtain materials, delays of carriers, contractors or suppliers or any other causes of any kind whatever beyond the control of Seller. Under no circumstances shall Seller be liable for any special, consequential, incidental, indirect, or liquidated damages, losses, or expense (whether or not based on negligence) arising directly or indirectly from delays or failure to give notice of delay. If a delivery is delayed as a result of any action or inaction of Buyer, Seller may invoice Buyer for the Products as of the scheduled delivery date and may charge Buyer for warehousing and other expenses incurred because of the delay. All Products are shipped F.O.B., point of shipment, unless otherwise so specified in the Seller's pricing. Risk of loss shall transfer to the Buyer upon first tender of goods to Buyer, Buyer's representative, or common carrier. The cost of any special packing or special handling caused by Buyer's requirements or requests shall be added to the amount of the order. Claims for Products damaged or lost in transit should be made by Buyer to the carrier, as Seller's responsibility ceases upon tender of goods to Buyer, Buyer's representative or common carrier.

6. Prices - Adjustments:

All prices quoted or agreed to by Seller apply only to Products scheduled for shipment no more than twelve (12) months from the date of receipt of Buyer's order by Seller. Seller reserves the right to increase its prices for later releases and shipments upon thirty (30) days' notice. Buyer shall have fifteen (15) days from the date of such notice to cancel its order, without charge, with respect to any Products not scheduled for shipment prior to the effective date of the price increase. All costs of shipping the Products to Buyer, including without limitation, freight, insurance (for either Buyer's or Seller's benefit) and special packing or handling, shall be in addition to the stated prices and shall be paid by Buyer. Payment of all sums invoiced to Buyer shall be in U.S. currency.
