*"Quality Without Compromise"*

## CUMMINS® ISX

### Replacement Engine Parts Available from Interstate-McBee for Cummins® ISX/QSX/X15 Applications:

- Inframe & Overhaul Kits
- Piston & Liner Kits
- Custom Gasket Sets
- Fuel Injectors & Components
- Camshafts
- Turbochargers
- Cylinder Heads
- Stud & Hardware Kits
- Sensors & Thermostats
- Connecting Rods
- Pin & Roller Kits
- Bushings & Bearings
- Valve Train Components
- Water Pumps
- Oil Pumps
- Oil Coolers
- Seal Kits
- ...and more

Interstate-McBee's offering for popular ISX engine applications continues to grow as we add high quality replacement parts to our lineup regularly. Our range of products covers engine kits, fuel injection, gaskets and more. These parts go through an extensive qualification process and are covered by our industry-leading warranty. Interstate-McBee is proud to be ISO 9001:2015 Certified with Design.

## ENGINE KITS

Interstate-McBee offers an extensive collection of ISX/QSX engine kits for both single and dual-cam engines, spanning a wide range of ECMs. For a full list of kits, check out our ISX catalog at [Interstate-McBee.com](http://Interstate-McBee.com)

- **ISX/QSX Inframe Kits with and w/o scraper rings**
- **Single Cam and Dual Cam models at 150mm & 152mm**
- **High Horse Power options available**
- **Re-Ring Kits available with APR and EGR options**
- **Piston Cooling Nozzles available for select pistons**
- **Piston and Cylinder kits in all the above options**

### Features and Benefits of Interstate-McBee Engine Kits:

- Forged steel pistons with skirt coating for reduced friction
- Interstate-McBee cylinder liners with superior bore finish
- Kits can be ordered w/ APR (Anti Polishing Ring) or non-APR style liners
- Inframe and re-ring kits include high performance rod and main bearings
- Hardened and tempered piston pins for strength and wear resistance
- Piston rings made from alloy cast iron or steel where required

★ **Catalog includes full piston and cylinder liner progression guide**

## REMANUFACTURED TURBOCHARGERS

Interstate-McBee is now offering a new line of remanufactured VGT turbochargers. The list includes ten ISX turbo part numbers and an actuator available separately. These turbos will help improve your fuel economy and optimize engine performance while keeping you emissions compliant. All remanufactured turbos are tested for quality and covered by Interstate-McBee's comprehensive warranty program.

**A full guide to our remanufactured turbo program is available here including a full core return cross reference chart and shipping instructions.**

# GASKETS

Interstate-McBee's gasket coverage is expansive and new products are always in development. We offer gaskets and gasket sets for ISX/QSX/X15 engine models covering a wide range of applications such as construction, marine, natural gas, rail, and more. Many of our gaskets are produced at our USA headquarters in our ISO 9001:2015 certified facility. This allows us to quickly develop new solutions and put together custom kits for many popular applications.

Our ISX/QSX/X15 Gaskets and Gasket Set Offerings Include:

- **Upper and Lower Engine Gasket Sets**
- **Gear Cover Gasket Sets for Dual and Single Cam**
- **Injector Seal Kits Including HPI and HPCR**
- **ECM Isolator Gaskets**
- **Exhaust Manifold Gaskets**
- **EGR Mixer Seal and Supplemental EGR Gaskets**
- **Mounting Gaskets for Turbocharger, Fuel Pump, Air Compressor, and Water Pump**
- **Housing Gaskets for Flywheel, Oil Cooler & Thermostat**
- **Cover Gaskets for Gear Housing, Thermostat, & Valves**
- **Seals for Turbocharger Oil Supply, Outlet & Flange**
- **Oil Pan Gasket and Drain Plug Seal**
- **Gasket Sets for EGR and Non-EGR applications**
- **...and More**

# CYLINDER HEADS

Interstate-McBee has also recently added a new line of replacement cylinder heads for Cummins® ISX applications. These precision machined heads arrive loaded with new intake and exhaust valves, valve springs, valve guides, and injector tubes. Use the QR code below to access the full flyer for full part number listing, shipping information, and more. Supply is limited so order in advance.

- **Brand New Castings**
- **No Core Return Required**
- **One Year Warranty**

# Fuel Injection

## Remanufactured ISX-HPI Injectors

Interstate-McBee offers several remanufactured ISX-HPI injectors covering a wide span of CPLs from model year 1998 through 2007. These injectors are remanufactured at our facility in Cleveland, Ohio, USA. The process includes a brand new nozzle assembly which has improved our quality standards to the highest in the industry.

Features:

- Simple core requirements for less hassle
- 1 year warranty, unlimited miles
- Factory installed filters and external O-rings included
- Engine model coverage: CM570, CM870, CM871, & CM875

LEARN MORE

## Remanufactured ISX-XPI Injectors

Interstate-McBee also offers remanufactured ISX-XPI common rail injectors. Like our HPI injectors, these injectors are remanufactured at our facility in Cleveland, Ohio, USA. Not to be confused with "rebuilt" injectors, our "remanufacturing" process includes a complete teardown, individual reclamation and qualification of components, and new replacement for any failed part. The process always includes a brand new nozzle (also manufactured at our facility). This ensures optimal performance, lower smoke, better fuel economy, and longer engine life.

Features:

- Old nozzles never reused, always replaced with new
- Check ball and check ball seat replaced with new where needed
- Simple core requirements for less hassle
