NEW PRODUCT RELEASE
OCTOBER 2024

CATERPILLAR®

3500 Series Cuffed Cylinder Liners

New to Interstate-McBee's expanding selection of replacement parts for 3500 series engines is a cuffed cylinder liner. These liners feature induction hardening and advanced machining for durability, and are designed to work in conjunction with the listed liner sleeves, also in stock. For application details and product availability, contact customer support at Interstate-McBee.

Part Number	Description	Application
M-4549920	Cylinder Liner	3500 Series
M-5161856	Liner Sleeve	3500 Series
M-5917899	Liner Sleeve	3500 Series

CUMMINS®

ISX IFSM Seal Kit

Interstate-McBee has developed a new kit for use in select ISX/QSX engines. This kit includes the gaskets and o-rings necessary to re-seal the integrated fuel system module (IFSM), specifically in CM570, CM870, and CM871 applications. For more details and availability, call Interstate-McBee.

Part Number	Description	Application
MCBISX029	Seal Kit - IFSM	ISX/QSX

NAVISTAR®

DT466E/MaxxForce Oil Pump

A new oil pump replacement kit is now available for DT466E/MaxxForce DT applications with ESN 2000000-UP. This brand new pump does not require a core return and ships complete with the seals, wear sleeve, and bolt necessary for a convenient installation.

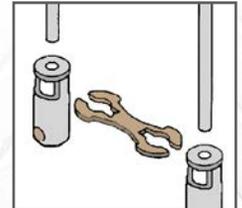

Part Number	Description	Application
M-1881751C93	Kit - Oil Pump	DT466E/MaxxForce DT

NAVISTAR®

DT466E/MaxxForce Lifter Guide

Interstate-McBee is now stocking a new valve lifter guide, often referred to as a dog bone due to its shape. This guide is compatible with many Navistar applications that use tappets including many DT and MaxxForce engines. Call the parts experts at Interstate-McBee to check for proper engine application.

Part Number	Description	Application
M-1813892C1	Lifter - Guide	DT466E/MaxxForce

VOLVO®/MACK®

D13/MP8 Water Pump Kit

Interstate-McBee is excited to announce the addition of MCB22197705 Water Pump Kit to our growing line of replacement kits and components for Volvo® D13 (MP8) and D16 (MP9) engine applications. Consider replacing your water pump at the time of your next overhaul with this fully equipped kit from McBee, including a molded press-in-place gasket and the mounting bolts required for convenient engine installation.

Part Number	Description	Application
MCB22197705	Kit - Water Pump	D13/MP8 & D16/MP9

VOLVO®/MACK®

D13/MP8 Head Bolt Kit

Interstate-McBee now offers the MCBD13HBK replacement head bolt kit for D13 engine applications. These bolts are M16, grade 10.9 bolts manufactured from high tensile strength, heat treated steel and are phosphate coated. All 38 bolts in this kit are shipped securely packaged with individual thread protectors to prevent damage.

Part Number	Description	Application
MCBD13HBK	Kit - Head Bolt	D13/MP8

VOLVO®/MACK®

D13/MP8 Re-Ring Kit

Due to high customer demand, we are now offering new re-ring kits for D13/MP8 applications. Re-Ring kits from Interstate-McBee are designed to save you money on rebuilds when your current steel pistons can be reused after adding a new set of rings.

Part No.	Description	Application
MCIFVED13	Kit - Re-Ring	D13/MP8

JOHN DEERE®

6090 Re-Ring Kit

In addition to our new re-ring kit for Volvo/Mack applications, we are also offering a new re-ring kit for John Deere® 6090 applications. Interstate-McBee offers many re-ring kits across various applications. **Scan the QR to see the full listing >>**

Part No.	Description	Application
MCIF6090	Kit - Re-Ring	6090
