

## NAVISTAR®

## DT530 Inframe Kit

Interstate-McBee is proud to announce we are expanding our coverage for Navistar® DT530 engine applications with a new inframe engine kit. The new **M-7083126C91** inframe kit can be used with DT530E engines rated at 300 HP, MY1995 to MY1999 with ESNs lower than 1194038. This kit includes all the parts needed to perform a complete inframe overhaul including two-piece articulated pistons, a forged steel crown for durability, and induction hardened cylinder liners for wear resistance. Parts experts are available 12 hours a day, Monday - Friday to assist you in purchasing these new items.

Part Number	Description
M-7083126C91	Inframe Kit
M-1825548C95	Cylinder Kit
M-1826412C1	Piston Kit

## NAVISTAR®

## I-326 - 466/570 Camshaft

We now offer new camshafts for Navistar® I-326-466/570 engine applications. This new camshaft is designed and manufactured using industry-leading quality and manufacturing standards, and it features induction hardened wear surfaces with a refined finish to provide superior performance. The camshaft's precise timing and lift characteristics are measured using computer aided test equipment to ensure the highest quality product. Please contact Interstate-McBee for exact engine applications.

Part Number
M-1850153C4
Description
Camshaft - Bare

## CUMMINS®

## C/L Series Valve Springs

Part Number
M-5316172

Two new valve springs are now available at Interstate-McBee for four-valve Cummins® C and L series engines. These new valve springs, **M-5316172** and **M-5316173**, are in stock immediately for these common applications. Contact the parts experts at Interstate-McBee for additional details.

Part Number
M-5316173

### CATERPILLAR®

### 3126B / 3126E Fuel Transfer Pump

We are now stocking new fuel transfer pump **M-1282050** for the popular Caterpillar® 3126B and 3126E engines. For added convenience, this new fuel pump includes a special mounting seal to ensure proper installation. Contact Interstate-McBee for additional details regarding this fuel pump's exact applications.

Part Number	Description
M-1282050	Pump Group - Fuel

### CATERPILLAR®

### 3126 Piston Cooling Nozzle

Our expanded coverage for Caterpillar® 3126 engine applications now includes the new **M-1355970** piston cooling nozzle. This nozzle is engineered to deliver oil flow to the piston for optimal engine performance. These new cooling nozzles are available in stock. Call Interstate-McBee to speak with a parts expert about exact applications for this new item.

Part Number	Description
M-1355970	Nozzle - Piston Cooling

### CUMMINS®

### QSK Intake Valve Kit

We are pleased to offer extended coverage for Cummins® QSK engine applications with the addition of new intake valve kit **M-2881836**. This new intake valve features coated wear surfaces to increase its durability over time. The new **M-2881836** valve kit also comes packed conveniently with the necessary valve locks. Call now to order this part immediately or buy online at [Interstate-McBee.com](http://Interstate-McBee.com)

Part Number	Description
M-2881836	Kit - Valve - Intake
