## Navistar® DT466 Valve Cover Attachments

### DT466E/570E Valve Cover Isolator Seal

Now available from interstate-McBee is the M-1842380C95 valve cover isolator seal and integrated injection wiring harness. This all in one design simplifies installation and helps to keep the injector wires organized for easy problem identification and is designed to fit DT466E/570E Model Year 2004~2006 - ESN > 2000000.

### DT466E Injector Harness

Interstate-McBee is now stocking M-1889905C91 Internal Injector Harness used on Navistar® applications found in DT466E Engines for model years 1994-1999. This one piece harness features a metal carrier attached to the wiring harness with metal spill deflectors. This can also be used for replacement of the harness used on the 2000-2003 model year engines.
