# INTERSTATE-McBEE
CLEVELAND, OHIO, USA

Quality New Replacement Parts for

Large Bore – High Output Engine Applications

Interstate-McBee understands customers' needs for the highest quality engine parts at reasonable prices that are delivered in a timely manner. That is why we offer a full line of new replacement parts for many of the popular heavy duty or "high speed" engine applications ranging from engine and cylinder kits, to fuel injection, lubrication, cooling components and valve train. We also carry a large assortment of individual gaskets and gaskets sets produced at our facility in Cleveland, Ohio.

All Interstate-McBee facilities are ISO 9001:2015 with Design certified to ensure quality and consistency in all of our products. We strive to offer you the friendliest, most competent customer service as well as the most extensive product offering in the aftermarket.

Customer Service Personnel are available to assist with correct parts selection, product availability, order processing and tracking of shipments, 12 hours a day from our four locations. Representatives are product knowledgeable, industry trained and detail oriented.

Orders can also be placed 24 hours a day through our website at **www.interstate-mcbee.com**
