

INTERSTATE-McBEE

Custom Gasket Set for Caterpillar® G3500 Engine Applications

Interstate-McBee continues to support our line of replacement parts for natural gas engine applications. The G3500 Series Natural Gas engine is one of the most popular engines for natural gas compression applications and large generators. Our MCB3500NG Single Cylinder Head Gasket Set has been developed to be an all-inclusive kit for servicing G3500 cylinder heads.

Gasket Set Contains:

Cylinder Head Gasket	Transformer Seal
Spacer Plate Gasket	Manifold Gasket
Water Line Seals	Water & Oil Seals

...and more.

Features and Benefits of the MCB3500NG:

- Cylinder head gasket made in USA
- All-in-one packaging saves time in ordering and installation
- High temperature o-rings and seals for greater durability
- Gaskets produced in our Cleveland factory
