

INTERSTATE-McBEE

TURBOCHARGER

Core Replacement Program

Interstate-McBee, the world's premier heavy duty engine parts supplier, now offers remanufactured VGT turbochargers. Combined with Interstate-McBee's industry leading engine parts and fuel injectors, our reman turbos will help you:

- Improve fuel economy
- Optimize engine performance
- Enhance compression brake
- Control emissions to stay EPA compliant
- Save time and money with one stop shopping

HOW TO USE THE TURBOCHARGER REFERENCE CHART

Thank you for participating in our new Turbocharger Core Replacement program.

Please follow these instructions to locate the turbocharger you will receive upon the return of your turbocharger core to Interstate-McBee.

1. Locate the identification tag on your turbocharger compressor cover. This tag has important **Assembly, Customer, Kit and Manufacturer** number information that will be used to identify the turbocharger you are eligible to receive.

2. Using this reference chart, find your Assembly, Customer, Kit or Manufacturer number from the identification tag.
3. Once you've located your tag number in the chart, refer to the corresponding turbo kit number (in BLUE) to identify the qualifying turbocharger.
4. Return your turbocharger core as outlined in the "Core Return Guidelines" and to the address provided on the back cover.

Core Return Guidelines

- Only cores with the same part number as the unit ordered will be accepted.
- Core must be in “off engine” condition as it was when originally removed from engine.
- Core must be complete and cannot have been disassembled since being removed from the engine.
- Cores damaged by non-operational causes, such as rough handling, improper removal from the engine, fire or improper protection during storage, will not be accepted.

**REUSE ORIGINAL TURBO BOX
WHEN RETURNING CORE.**

SHIP CORES TO:

INTERSTATE-McBEE
4901 LAKESIDE AVE.
CLEVELAND, OH 44114
ATTN: Core Return Dept.
