

INTERSTATE-McBEE

Interstate Diesel Service Inc.
McBee Supply Corp.

Dear Valued Dealers and Distributors,

We are proud to announce, Interstate-McBee will be relocating to a new, state-of-the-art facility in Oakwood, Ohio. As we have long outgrown our current headquarters in Cleveland, this move to a facility that houses over 5 acres under roof will allow us to give all customers the first rate service they demand from Interstate-McBee.

A follow-up communication will be issued with the official address and move date which is tentatively scheduled for August 2023.

Please note that all other locations including our fuel injection sites on Lakeside Avenue in Cleveland will remain at their current addresses.

We look forward to continuing our partnership with you from our new headquarters.

Best regards,

Ann Buescher
President, McBee Supply
