

INTERSTATE-McBEE

Interstate-McBee Custom Gasket Set for Caterpillar® G3600 Engine Application

Interstate-McBee continues to expand coverage for natural gas engine applications. The G3600 Series Natural Gas engine is one of the most popular engines for natural gas compression applications and very large generators. Our **MCB3600NG Single Cylinder Head Gasket Set** has been developed to be an all-inclusive kit for servicing G3600 cylinder heads.

Features and Benefits of the MCB3600NG:

- One and two pre-chamber serviceability providing flexibility of use for cylinder head maintenance jobs.
- All-in-one packaging saves time in ordering and installation.
- High temperature o-rings and seals for greater durability.
- Combustion seal ring and exhaust hardware included for reduced replacement time.

Gasket Set Contains:

- Head Gasket Combustion Seal
- Pre-Combustion Chamber Gaskets
- Exhaust Manifold Gaskets
- Exhaust Manifold Bolts
- Exhaust Manifold Lock Nuts
- High Temperature Seals
