NEW PRODUCT RELEASE

OCTOBER 2023

VOLVO®/MACK®

D13/MP8 Inframe Kits

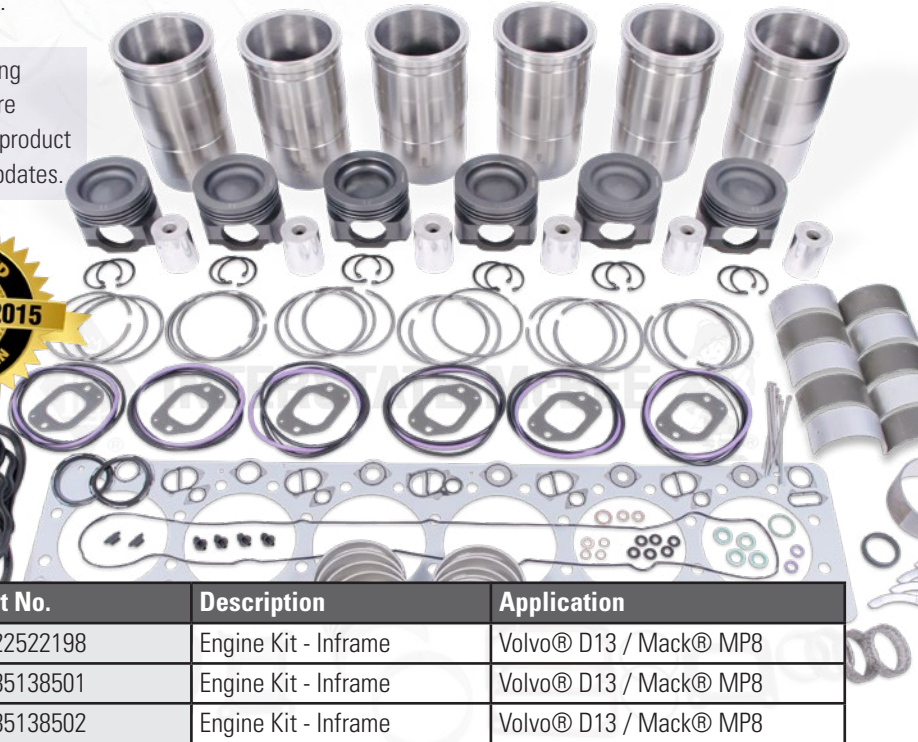

Interstate-McBee is proud to announce a new line of replacement parts for Volvo® D13 / Mack® MP8 applications. We are currently stocking three inframe kits that are compatible with both applications. These kits include all the necessary components for an in-chassis overhaul such as liners, pistons, bearings, and full gasket set, providing all seals needed for the job.

Scan the QR or visit our website to see the full listing of parts including single piston and liner kits. We are committed to adding high quality parts to this new product line going forward, so continue to check back for updates.

Brand New Inframe Kits Include:

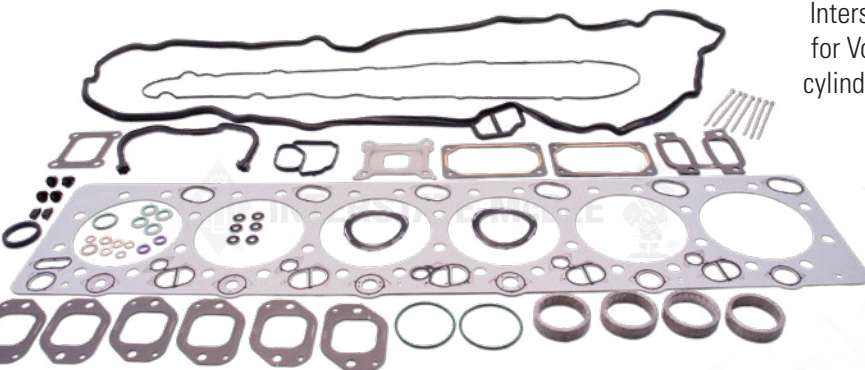

- One-piece forged steel pistons with graphite coating for strength and durability
- Alloy cast iron cylinder liners offering increased abrasion resistance
- Hardened and tempered piston pins for long term durability
- Complete overhaul gasket sets manufactured from top grade materials for a reliable seal
- Piston rings made from alloy cast iron or steel where required
- Rod and main bearings featuring tri-metal construction for scuff resistance
- Coated liner seals for ease of installation

Part No.	Description	Application
M-22522198	Engine Kit - Inframe	Volvo® D13 / Mack® MP8
M-85138501	Engine Kit - Inframe	Volvo® D13 / Mack® MP8
M-85138502	Engine Kit - Inframe	Volvo® D13 / Mack® MP8

VOLVO®/MACK®

NEW PRODUCT RELEASE

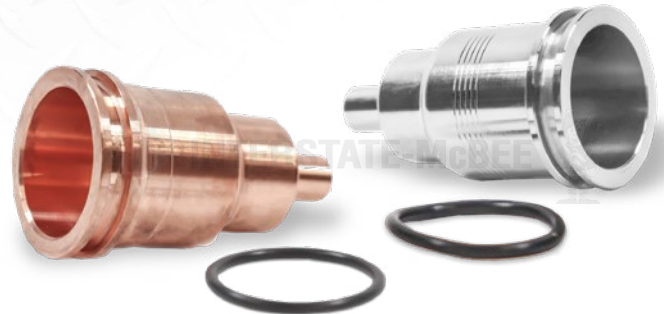

OCTOBER 2023

VOLVO®/MACK®

D13/MP8 Fuel Injection Components

In addition to engine kits and gasket sets, Interstate-McBee also offers individual replacement parts for Volvo D13/Mack MP8 applications such as fuel injection components. These product lines will continue to grow, so check in on our website and social media accounts for updates.

Part No.	Description	Application
M-21351717	Sleeve - Injector - Copper	D13/MP8
M-85137065	Sleeve - Injector - Stainless	D13/MP8
MCB21351717	Tube Injector w/Seal - Copper	D13/MP8
MCB85137065	Tube Injector w/Seal - Stainless	D13/MP8
M-21274699	Washer - Fuel Injector	D13/MP8
M-276948	Seal Kit- Fuel Injector	D13/MP8

VOLVO®/MACK®

D13/MP8 Valve Train Components

Also available for Volvo®/Mack® applications are a selection of replacement valve train components such as intake/exhaust valves along with springs, seats, and more. Components are built to exacting standards using high grade materials.

Part No.	Description
M-21016539	Valve - Exhaust
M-20740798	Valve - Intake
M-23803420	Spring - Valve - Inner
M-23803415	Spring - Valve - Outer
M-21990221	Valve Stem Seal

Part No.	Description
M-20530103	Valve Seat - Exhaust
M-20740804	Valve Seat - Intake
M-20919484	Valve - Guide
M-20510747	Valve Lock
