

INTERSTATE-McBEE

NEW CUFFED CYLINDER LINERS REPLACEMENT PARTS FOR CAT® 3500 SERIES APPLICATIONS

New to Interstate-McBee's expanding selection of replacement parts for 3500 series engines is a high quality, cuffed cylinder liner. These liners feature induction hardening and advanced machining for durability and extended life. They are designed to work in conjunction with the listed liner sleeves below which are also available immediately from stock. For application details and product availability, contact the parts experts at Interstate-McBee and visit our website at www.interstate-mcbee.com.

Part Number	Description	Application
M-4549920	Cylinder Liner	3500 Series
M-5161856	Liner Sleeve	3500 Series
M-5917899	Liner Sleeve	3500 Series
