

INTERSTATE-McBEE

DETROIT DIESEL® SERIES 60 PIN AND ROLLER KITS W/CERAMIC ROLLER

Interstate-McBee is once again servicing ceramic pin and roller kits for popular Detroit Diesel® Series 60 engine applications. These service kits include the latest design ceramic rollers for durability.

Be sure that the pins are properly aligned with the oil feed gallery during installation. Alignment marks are stamped on the axel pins to aid in assembly.

Service bushings A-8929059 (15mm wide) and A-8929536 (20mm wide) are also available. These bushings must be finished to final size after installation
