

INTERSTATE-McBEE

Replacement Parts for

VOLVO® & MACK®

Applications

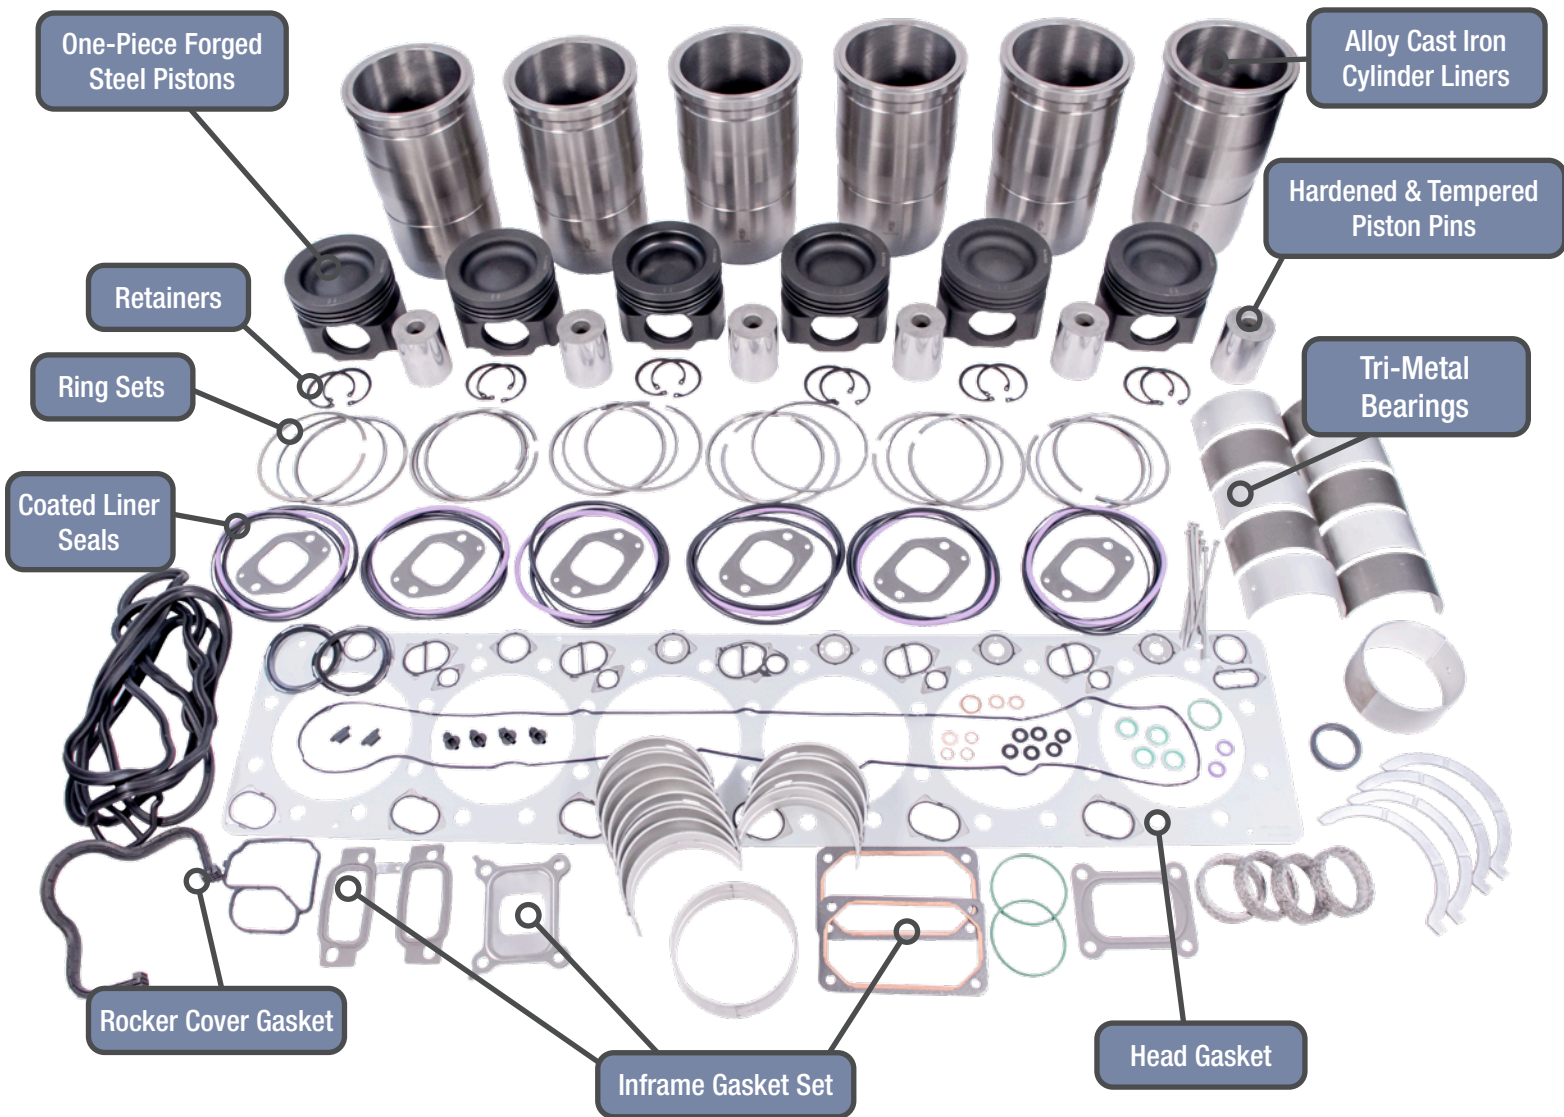

Replacement Engine Parts Available from Interstate-McBee for Volvo® D13 / MACK® MP8 Applications:

- Re-ring Kits
- Rebuild Kits
- Cylinder Kits
- Valve Train
- Injector Components
- Engine Bearings
- Gasket Sets
- Water Pumps
- O-Rings & Seals
- Thermostats
- Hardware Kits
and more

ENGINE KITS

Brand New Inframe Kits Include:

One-piece forged steel pistons with graphite coating for strength & durability.

Coated liner seals for ease of installation.

Alloy cast iron cylinder liners offering increased abrasion resistance.

Complete overhaul gasket sets manufactured from top grade materials for a reliable seal.

Hardened & tempered piston pins for long term durability.

Piston rings made from alloy cast iron (or steel where required).

Rod & main bearings featuring tri-metal construction for scuff-resistance.

D13 / MP8 ENGINE INFRAME KITS

M-21409435
M-22522221
M-22725032

RE-RING KITS

What are re-ring kits?

Piston-less inframe kits that are cost-effective vs. buying a full inframe kit. In certain cases, an engine rebuild is necessary but the pistons are still in good shape and may not need to be replaced. If your engine has high-quality steel pistons, you may have the opportunity to save time, money and reduce waste by reusing your pistons during your next rebuild.

CYLINDER KITS

- Alloy Cast Iron Liners**
Unique and significant advantages in mechanical properties & abrasion resistance
- Forged Steel Pistons**
Strength and optimal performance in severe applications
- Piston Pins**
Hardened and tempered for maximum strength and wear resistance
- Steel Piston Rings**
(Oil control & top ring) for added hardness & resistance to breakage in high power applications
- Sealing Rings**
Made from select materials

D13 CYLINDER KITS

GASKET SETS

OUR GASKET ADVANTAGE

- We have gasket sets for a wide variety of applications, including:
 - Marine
 - Natural Gas
 - On-Highway and more
- Many gaskets are produced in the USA at our ISO 9001:2015 facility in Oakwood Village, Ohio.
