NEW PRODUCT RELEASE

FEBRUARY 2026

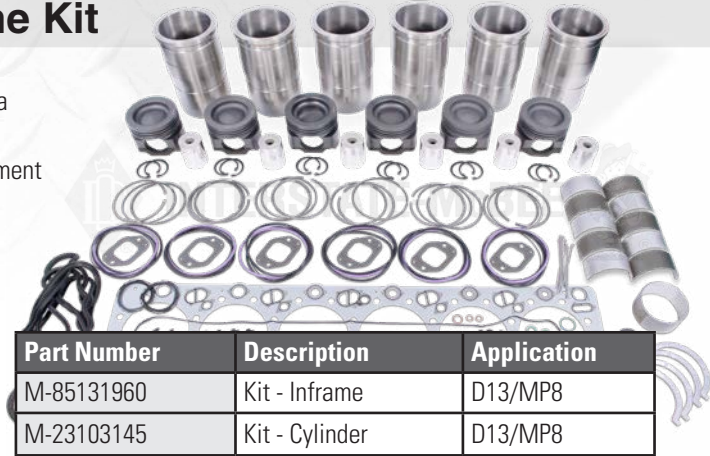

VOLVO®/MACK®

Inframe Kits Include:

- One-piece forged steel pistons
- Alloy cast iron cylinder liners
- Hardened and tempered piston pins
- Complete overhaul gasket sets
- Piston rings made from alloy cast iron or steel where required
- Tri-metal rod and main bearings
- Coated liner seals

D13/MP8 Inframe Kit

Interstate-McBee is proud to announce a new inframe & cylinder kit - the latest additions to our growing line of replacement parts for Volvo® D13 / Mack® MP8 applications. These kits include all the necessary components for an in-chassis overhaul such as liners, pistons, bearings, and inframe gasket set, providing all seals needed for the job.

Part Number	Description	Application
M-85131960	Kit - Inframe	D13/MP8
M-23103145	Kit - Cylinder	D13/MP8

VOLVO®/MACK®

D13/MP8 Bearing Kits

Additionally, we're now offering two new high-performance bearing kits for D13/ MP8 engine applications. Replacement Kit **MCB23624058** includes main bearings and thrust washers, while **MCB22879256** covers camshaft bearings and thrust washers. Both kits feature tri-metal construction for maximum strength, wear resistance, and load-carrying capacity.

MCB22879256

MCB23624058

Part Number	Description	Application	QTY
MCB23624058	Bearing Kit - Main & Thrust	D13/MP8	1
- M-23624058	- Bearing - Main	D13/MP8	6
- M-21948261	- Bearing - Thrust Washer Kit	D13/MP8	1
MCB22879256	Bearing Kit - Camshaft	D13/MP8	1
- M-22879256	- Bearing - Camshaft	D13/MP8	6
- M-22879257	- Bearing - Camshaft Thrust	D13/MP8	1

VOLVO®/MACK®

D13/MP8 Water Pump Kits

Two new replacement water pumps are now available for D13/MP8 applications. These pumps are brand-new (not remanufactured) and assembled in the USA using premium components. Each unit is 100% leak-tested before shipment and includes all the necessary mounting seals and bolts for ease of installation.

Part No.	Description	Application
MCB21960481	Water Pump Kit w/ Bolts	D13/MP8
MCB24152057	Water Pump Kit w/ Bolts	D13/MP8

NEW PRODUCT RELEASE

FEBRUARY 2026

DETROIT DIESEL®

Interstate-McBee is upgrading our lineup of reliable replacement parts for DD13 applications with the addition of two brand new liner kits. Both kits contain the necessary seals and kit **A-A4710113210** also contains an Anti-Polishing Ring (APR). Designed to meet rigorous demands, these alloy cast liners offer increased wear resistance and are engineered to precise industry specifications for a consistent, reliable fit. These kits are ideal for situations where the piston is being reused.

DD13 Liner Kit

Part Number	Description	Application
A-A4710113110	Cylinder Liner Kit	DD13
- A-14710112210	- Liner - Cylinder	DD13
- A-A0229975345	- Seal - Upper (Red)	DD13
- A-A0239975545	- Seal - Lower (Black)	DD13
A-A4710113210	Cylinder Liner Kit - APR	DD13
- A-14710114310	- Liner - Cylinder	DD13
- A-A0229975345	- Seal - Upper (Red)	DD13
- A-A0239975545	- Seal - Lower (Black)	DD13
- A-A4710110259	- Ring - APR	DD13

DETROIT DIESEL®

DD13/DD15 Water Pump

Another new water pump has been added to Interstate-McBee's growing line of replacement parts, this time for DD13 & DD15 applications. **A-A4712000901** is a brand new (not remanufactured) water pump assembled in the USA from high quality components. These pumps include the necessary mounting seal and are 100% leak-tested prior to shipment.

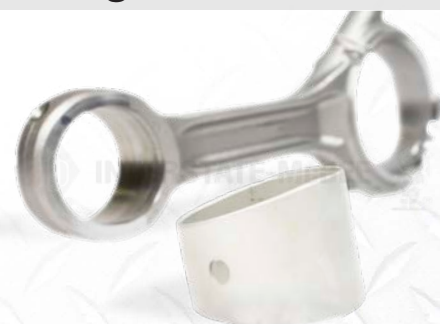

Part Number	Description	Application
A-A4712000901	Water Pump	DD13/DD15

DETROIT DIESEL®

DD13 Connecting Rod Bushings

In addition, we are now also stocking high quality replacement connecting rod bushings for DD13 applications. These replacement press-fit style bushings offer a cost-effective solution for servicing worn or damaged rod assemblies without full replacement. Manufactured from premium-grade materials, **MCB7151** is built to withstand the high loads and operational stress typical of DD13 applications.

Part Number	Description	Application
MCB7151	Bushing - Connecting Rod	DD13
